Tony,

Please see the documents that need to be converted over to 508 Compliant pdf letters.

The first three letters are letters that EPA generated. Rather than give you the signed and dated letters, I have gone back and given you the Word versions of those letters. The letter named “WDNR letter regarding Jurisdiction 8-6-15” is an attachment to the LDF post consultation letter 8-28-15 for signature. You might want to deal with those two letters together.

The two pdf documents are the signed documents that we got from the tribe, Lac du Flambeau. I don't have the original Word document and it wouldn't be appropriate to ask for it.
